

ENTRY CRITERIA

SAA Membership

Current Medical Certificate

Dive Leader

Assistant Instructor with approx 12 hours teaching experience

COURSE DETAILS

Arranged by Regional Representative

Assessed by Regional Instructors from another club delivering a skills lesson at a pool session, and a theory lesson.

Assessors may be Open Water Instructors at Regional Representative's discretion.

Short theory multiple choice knowledge review.

Can be arranged to suit the circumstances. Dependent on requirements may be organised as a course run centrally within the Region, or assessment may be carried out at the Candidates own club. Allows input from more experienced Instructor prior to moving on to OWI.

COSTS

Contact Regional Rep.

OUTCOME

Successful Candidates may take Club trainees through pool training and teach theory or skills up to their own diver grade.

May assist in Open Water Training under the guidance of an Open Water Instructor.
